LEADERSHIP CARROLL COUNTY TO RELAUNCH THIS FALL

CARROLL COUNTY, Ind. - Leadership Carroll County is a 9-month leadership program designed to assist in the development of the current and emerging leaders of Carroll County. The program takes participants through a series of personal and professional workshops while concurrently immersing them in all the resources the community has to offer.

The curriculum includes a combination of robust personal leadership and development topics as well as information about the county and current issues. The program will utilize a combination of local resources and nationally recognized leadership development programs.

The Leadership Carroll County program is a partnership between Carroll County Economic Development Corporation, Carroll County Chamber of Commerce, Camp Tecumseh YMCA, and the Family Health Clinic. The realization of this project was made possible through initial funding from the Carroll County Community Foundation.

"We are extremely excited to continue offering this great program to the community. The most important resource we have in Carroll County is the people that live, work, and play here. Leadership Carroll County continues to provide the fundamental tools to enhance the knowledge base of our current or emerging leaders." -Jacob Adams, Carroll County Economic Development.

"We recognize the need for a leadership program in Carroll County. This will be important as we continue to grow and develop new talent in our communities. We greatly appreciate the Carroll County Community Foundation for its continued commitment to our community." -Julia Leahy, Carroll County Chamber of Commerce.

Individuals interested in participating or learning more about Leadership Carroll County should reach out to any of the partner organizations or go to www.leadershipcarrollcounty.com and fill out the contact form. The participation fee is \$250.00 and class size limited.
